Accommodation:

Unfortunately because of the current level of COVID, University accommodation will not be available. However, Dunedin has many many hotels and accommodation venues in town and are close to the Masonic Centre. These can be easily accessible through a multitude of accommodation web sites.

Things to do:

Dunedin has many things to do and sites to see. One useful web page is: https://www.dunedinnz.com/visit/see-and-do

I stress that even if you have no car there is much to see in the town including two great Museums; an Art Gallery, and being a University town there are many restaurants covering the cuisine from around the world.

A further circular will be sent to all those registered with further information on Dunedin, AND a preliminary programme.
